SEC. 3. The fact that the Regular and First Called Session of the Thirty-seventh Legislature adjourned without passing the General Appropriation Bill, and the further fact that public policy requires that proper provision be made for the maintenance and support of all educational institutions with as little delay as possible, and this bill, being one of the regular appropriation bills, and the near approach of the date of adjournment of the Special Session creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.

[NOTE.—The enrolled bill shows that the foregoing Act passed the Senate, yeas 18, nays 3; and passed the House with amendments, no vote given. That Senate refused to concur in the House amendments and asked for Conference Committee. That House adopted Conference Committee report, no vote given; that Senate adopted Conference Committee report, yeas 19, nays 4.]

Approved except as herein shown, September 6, 1921.
Effective September 6, 1921.
